

SWAY

Lyrics only

Don't stray, don't ever go away.
I should be much to smart for this.
You know it gets the better of me.

Sometimes when you and I collide,
I fall into an ocean of you.
Pull me out in time.

Don't let me drown, let me down.
I say it's all because of you .

And here I go losing my control.
I'm practising your name so I can say it to your face.

It doesn't seem right to look you in the eye.
Let all the things you mean to me come tumbling out my mouth.

Indeed it's time tell you why I say it's infinitely true.

Say you'll stay.
Don't come and go like you do.
Sway my way.
Yeah, I need to know all about you.

And there's no cure and no way to be sure
Why ev'rything's turned inside out, instilling so much doubt.

It makes me so tired; I feel so uninspired.
My head is battling with my heart, my logic has been torn apart,

And now it all turns sour.
Come sweeten ev'ry afternoon.

Say you'll stay.
Don't come and go like you do.
Sway my way.
Yeah, I need to know all about you.

Say you'll stay.
Don't come and go like you do.

Sway my way.
Yeah, I need to know all about you.

It's all because of you,
it's all because of you,

Now it all turns sour.
Come sweeten ev'ry afternoon.

It's time tell you why
I say it's infinitely true.

Say you'll stay.
Don't come and go like you do.
Sway my way.
Yeah, I need to know all about you.

Say you'll stay.
Don't come and go like you do.
Sway my way.
Yeah, I need to know all about you.

It's all because of you,
it's all because of you,
it's all because of you.
